RE: Brady for Congress C00311043
Your letter dated April 23, 1996
Your letter dated May 21, 1996

Dear Mr. Schumacher:

Your letter dated April 23, 1996, referred to two contributions noted on our 48-hour reports which you did not find on our 12-day pre-runoff report. I have identified the problem and corrected it on the enclosed amended report.

The Alltel Corporation PAC contribution was reported initially under "Pete Slot" on page 1 for line 11(c). Mr. Slot is the contact for that PAC and the record had been incorrectly entered. Mark Alvis was reported initially under Deborah Alvis on page 1 for line 11(a)(1). That was also incorrectly entered and has now been corrected. You also referred to information still needed for our disbursements. Those addresses have been found and entered.

In your letter dated May 21, 1996, you reference an excessive contribution from CSWC PAC. I have contacted that PAC and asked for a redesignation of \$1000 to the general election, or, if they prefer, we will refund the excess \$1000. We will notify the FEC of the decision with an amended report. You also refer to employer/occupation still missing. I have enclosed copies of various response forms we use which always ask for that information. We will also contact individuals who still have incomplete information by mail and phone and will update you when we receive the information.

You refer again to the 48-hour reports and Schedule A, and I assume you are referring to the April 23 letter and that has now been corrected. Thank you.

Sincerely,

A handwritten signature in black ink, appearing to read "Robert Fissler", is written over a horizontal line.
